

## Scholastic Reading Book Club Orders

Students will bring home flyers for Scholastic book orders monthly.

If you choose to purchase books through Scholastic you can do so online using our classroom code: **NZDJK**. You can also use the paper order form found on each flyer. If you use the paper form, please put your order along with cash or check (made payable to Kelly Stevenson) in an envelope or ziplock bag. Please make sure that your child's name is on the order form. On the due date indicated on the flyer, I will enter all paper/flyer orders and use my personal credit card to place the order for expedited shipping.

Student orders are shipped to the school within 5-10 days of order placement.

This is a great way for our class to earn free books to add to our classroom library. It also allows me to give away books as gifts at Christmas and birthdays.

Thank you for your support!
