

Stevenson's 3rd Grade November 25-26

This is a very short week due to the Thanksgiving holiday.

There is **NO SCHOOL Wednesday, Thursday, or Friday** this week. I hope everyone is able to spend some time with their family and friends. Safe travels and happy feasting!

Math

Students will need to practice math **multiplication facts** at home for about **10 minutes every day!** Again, I encourage all parents to acquire/make a set of Flashcards! Please help your child study for upcoming multiplication timed tests!

This week students will be **tested over multiplying 2-digit by 1-digit numbers.**

Monday- Trap the Turkey Area and Perimeter Game

**Homework: Multiply 2-digits by 1-digit Practice Page*

Tuesday- Multiplication Test: Multiply 2-digits by 1-digit

This Week's High Ability Enrichment Activities: Order of Operations- PEMDAS

Reading

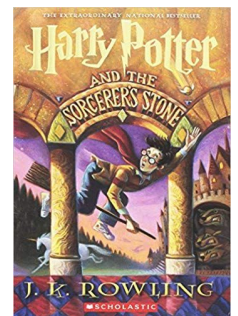

We will be using the Indiana Department of Education Comprehensive ELA Curriculum for High Ability and elements from our Pearson MyView Reading Program. This week we will continue reading Harry Potter and the Sorcerer's Stone By: J.K. Rowling. We will be discussing fact and opinion, analogies, retelling by writing a summary, and figurative language.

Students will take a Quiz after each chapter.

Monday: Read Chapter 12 pages 194-214 in class, **HW- Think Write Draw Activity**

Tuesday: Chapter 12 Quiz, Discussion, DOK Questions

(IN Standards: Fluency 3.RF.5 Orally read grade-level appropriate or higher texts smoothly and accurately, with expression that connotes comprehension at the independent level. 3.RL.1 & 3.RN.1 Read and comprehend a variety of literature within a range of complexity. 3.RL.2.1 & 3.RN.2.1 Ask and answer questions to demonstrate understanding of a text. 3.RN.2.2 Determine the main idea of a text; recount the key details and explain how they support the main idea. 3.RV.2.1 Apply context clues.)

There is No Spelling Test this week!

English/Grammar- Review

This week we will be reviewing grammar skills and writing about the things we are thankful for.

Science- Earth Science

This week we will continue our studies in Earth Science, with Fossils. Fossils can be the remains of past organisms. Or, they can be patterns left in soil or rock by the bodies of past organisms. Fossils are important because they help scientists learn about changes in the Earth, its climate, and its life forms. We'll be using our Pearson Interactive Science book, Study Island, and some online resources, along with some hands-on learning Science Labs. Students will use their Fossil Notes and knowledge to complete the Fossils Quiz in Study Island.

(IN Standards 3.ESS.4 Determine how fossils are formed, discovered, layered over time, and used to provide evidence of the organisms and the environments in which they lived long ago.)

Social Studies- Geography & Physical Systems

We will continue learning about maps, directions, and geography. We'll be using Study Island, Google Maps, and a variety of paper maps, globes, and online resources. This week we will focus on identifying the Midwestern region of the United States on a map.

(IN Standards: 3.3.8 (2014) Identify the major climate regions of the United States and explain their characteristics. 3.3.9 (2014) Describe how climate and the physical characteristics of a region affect the vegetation and animal life living there.)

Please Remember!

Temperatures are getting colder.

We go outside for recess unless the temperatures are below 40 degrees at noon.

Please make sure your child has a heavy coat, gloves, and a hat!

If you need help securing these items please contact me at once.
